THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.22635 of 2005

ORDER:

It appears that the writ petition is filed with an apprehension that the post of Engineer in the 4th respondent university would be filled up by deputation.

In the counter filed by 3rd respondent, it is stated that the petitioner was appointed for the service in MES and employed in various posts as per administrative requirement. The petitioner seeks deputation to 4th respondent-University and it is his apprehension that that some third person may be deputed. Deputations outside MES is not a right of any

employee. Moreover to ensure proper functioning of the department, the application of the petitioner for deputation to 4th respondent University was turned down. Unless and until 2nd respondent grants permission for deputation, the petitioner cannot claim any deputation in the 4th respondent University.

In view of the fact that parent department did not permit the petitioner to come on deputation, he was not absorbed as there was acute shortage of officers at Officers of EE/EE(NFSG) and the force of the department are engaged in Planning/Design/Executive of work.

In view of the above, the writ petition is devoid of merits and is liable to be dismissed.

Accordingly, the writ petition is dismissed.
